## **NOTICE OF PUBLIC HEARING AND INTENT TO FILE AN APPLICATION FOR FINANCIAL ASSISTANCE**

The Town of Kiowa will hold a public hearing at 6:00 pm on July 31, 2014 at the Town of Kiowa City Hall in Kiowa, Oklahoma. The hearing is to give the citizenry an opportunity to become acquainted with the proposed Sewer Improvement Project and to comment on such items as economic and environmental impacts, service area, alternatives to the project, financing aspects, or any other issues related to the proposal. The Town of Kiowa Public Works Authority has negotiated an engineering contact with Mehlburger Brawley Engineering Firm for the planning, design and construction of the proposed Sewer Improvement Project. This firm has demonstrated their competence and qualifications to complete this project. The proposed project is identified in the Engineering Report prepared by Mehlburger Brawley and consists of the following elements:

1. Remove and Replace approximately 49,000 linear feet of Sewer Main including manholes.
2. Rehabilitate and Rip Rap North Storage Lagoon Dikes

This Engineering Report, along with environmental information related to the project, is on file and available for public inspection at City Hall. Please contact the City Clerk to arrange a time to view this document.

This notice also sets forth the intent of the Kiowa Public Works Authority to file an application for financial assistance through the United States Department of Agriculture, Rural Development and/or lending institution for the construction of this proposed Sewer Improvements project.

The public is invited to attend
