- My utility bill is due on or before the 10th of the month, even if the 10th falls on a Saturday or Holiday. Bills come out by the 1st of each month.
- Methods of payment are:
- at the city hall in person: cash, check, money order or credit card
 - Online at www.kiowapayonline.ok.gov a one dollar fee is added.
 - By mail: check or money order (use above address)
 - By drop box: outside of city hall

(PWA meter readers cannot take utility payments from customers at any time.)

If my bill is not paid by 5pm on the (10th), (even if the 10th falls on a weekend or holiday), a 10% late fee is applied to the total amount due. Then a notice of disconnect will be mailed out and if the balance is not paid in full by the 20th of the month your service will be disconnected the next business day.

- My services will be disconnected if my payment is not paid by 5p.m. on the 20th of the month and a reconnect fee of \$25.00 will be applied to the bill.
- When services are shut off for non-payment meter will be locked out.
- If the meter has been tampered with, the Police Department will be notified and a citation will be given and meter will be removed.
- Failure to receive a utility bill through the mail is not a valid reason for non-payment.
- In order to have water turned back on, the amount owed plus a \$25.00 reconnect fee must be paid.
- Charges for water and sewer are based on usage rates approved by the city council, however a minimum bill will be charged each month for water, sewer and trash services until your account is finalized.
- ANY PAST DUE AMOUNTS THAT ARE NOT PAID WILL BE SENT TO COLLECTIONS PER ORDINANCE.
- Trash poly carts are picked up early on Friday mornings. (Except on some holidays)
- Poly carts need to be out and ready for pick up. (Please no bungee cords on the lids)
- Items that are not in the poly cart will not be picked up (the driver is not allowed to get out of his truck)
